

DISIDENTE CMG 2021 DESTACA EN DECANTER

With more than 18,000 wines tasted at the 2023 Decanter World Wine Awards (decanter.com) our Disidente CMG wine stood out with 95 points and a gold medal.

COMPOSITION: 59% Carignan, 28% Mourvèdre, 13% Grenache

Of intense and deep violet-red color, the wine unfolds outstanding notes of fresh fruits, such as sour cherries, blueberries, and raspberries. It becomes more complex with aromas of flowers and notes of herbs, such as thyme, and a rich minerality. It feels fresh, vibrant, and fruity on the palate, with a delicious acidity and multiple textures. Juicy and complex, it offers an outstanding structure, volume and persistence, in addition to very present, fine, and elegant tannins. This wine shows an exceptional sense of place.
