

WINEMAKING TEAM OF EXCELLENCE

Enchant and captivate with authentic wines, reflection of our pioneer spirit and the nobility of our land, respecting people and the nature that surrounds us is TerraNoble's purpose.

To achieve our purpose, we promote teamwork and the development of our noble people as values that guides us in search of excellence.

In this Noble News we want to introduce you to

our winemaking team responsible for transforming the grapes we receive from our noble land in Chile's best denominations of origins into wines of the highest quality.

In the words of Marcelo García, TerraNoble Chief Winemaker, "I am very proud to introduce our winemaking team with whom I share the goal of crafting the best wines for the last 8 with passion and dedication.
