SUCCESSFUL SHOWCASE AT PROWEIN 2025

From March 16th to 18th, the TerraNoble team was in Prowein Düsseldorf, one of the most prestigious events in the global wine industry.

This fair provided an invaluable opportunity to strengthen our business relationships, to plan with our clients, and to continue growing in the competitive global market.

We thank everyone who visited our stand and contributed to this amazing experience. See you next year!

ACCOLADES AND AWARDS

We are proud to share the excellent scores recently published by Wine Advocate - Robert Parker.
