

TERRANOBLE AT THE LEADING
INTERNATIONAL WINE EVENTS

June was a month full of international activity for TerraNoble. Our General Manager attended two major events in New York: **Sip of the South**, organized by Wine Enthusiast, and **Great Wines of the World**, one of the most prestigious wine gatherings worldwide, hosted by JamesSuckling.com.

The latter brought together more than 6,000 attendees, showcased 747 wines rated 92 points or higher, and featured a strong presence of top industry professionals.

Meanwhile, our Regional Director, Ignacio Mattas, supported Decanter Day in Brazil and then traveled to Perú, Colombia and Paraguay for an intensive training schedule with sales teams, clients, distributors and winelovers.

ALGARROBO PINOT NOIR 2024:
ONE OF THE BEST PINOT
NOIR FROM CHILE

Our Algarrobo Pinot Noir 2024 was awarded a gold medal and 96 points at the Decanter World Wine Awards 2025, earning the title of the best Pinot Noir from Chile, together with another Chilean wine.

This recognition reflects the commitment, talent, and excellence of our vineyard and winery teams, and reaffirms our belief in the potential of cool-climate wines from the Casablanca Valley.
