Decanter World Wine Awards 2025:

DECANTER RECOGNIZES OUR COMMITMENT TO PEOPLE

The renowned **Decanter World Wine Awards** not only honor the quality of wines, but also highlight the positive impact of the industry on its surroundings.

This year, Viña TerraNoble was recognized in the **People category**, a reflection of our commitment to our team, the communities, and the new generations.

An award that confirms our values —integrity, passion, and respect— translate into a way of working where wine is both culture and sustainable development.

RENOWNED WINE CRITICS APPLAUD OUR WINES

This month we celebrate three major achievements that connect us with international critics:

- **Top 100 Wines of Chile 2025 – JamesSuckling.com:** Raíces del Maule 2023 was highlighted with 94 points among the best in the country.
- **Wines of the Year 2025 – Susie & Peter (UK):** CA2 Costa Carmenère 2022 (**96** pts) and Algarrobo Pinot Noir 2024 (**94** pts) shone in this global ranking.
- **Alistair Cooper MW Guide 2025:** Our CA2 Costa Carmenère 2022 was chosen as the best Carmenere and best wine of Colchagua, with **96** pts.

These recognitions are an inspiration to keep working with the same passion and excellence that guide every one of our wines.
