

## NEW OPENING: A NEW WINE SHOP IN SAN CLEMENTE

*We are delighted to open the doors of our new wine shop at La Higuera estate, a milestone that greatly strengthens the wine tourism experiences in Maule.*

We are extremely proud to announce the official inauguration of our new wine shop at La Higuera estate, located in San Clemente. This milestone marks a fundamental step in our continuous effort to strengthen and enrich wine tourism experiences within the Maule Region.

The new space was created to welcome wine lovers, tourists, and friends of the house, offering a warm and professional environment where they can discover our entire portfolio.

We want our winery to be a meeting point for wine culture and local sustainable development.

You are all cordially invited to visit us in San Clemente, explore this new space, and toast with us in the heart of Maule!

## GREAT SCORES AT WINE ADVOCATE

Following his visit to our vineyards, renowned critic Matthew Luczy awarded outstanding scores to Viña TerraNoble, consolidating our international prestige and the unique value of each terroir.
